The Guitar Academy & Boutique

# GUITAR HALL THE ACADEMY

The Guitar Hall crew welcomes you to our academy where the sole purpose is to impart professional top level training. Imparting training in music the way it is meant to be imparted! No short cuts. No stop gap arrangements. No quick fixes!!! Like other major instruments, the Guitar has advanced beyond the days when a self-taught player could be a concert artist. If you want to master the Guitar you need competent guidance. Even if you have modest goals, you can reach them more quickly and easily with proper guidance.

## SALIENT FEATURES Schedule and Syllabus

We at Guitar Hall schedule the introduction of new material and explain its intricacies and nuances. We encourage you when you are on the right track and quickly correct you when you go wrong, showing you how to study efficiently. Training at Guitar Hall is a unique blend of exercises to gain finger dexterity, knowledge of scales and chords, knowledge of playing music of the genre the member is interested in; stress being laid on Western Classical Notations/Grades. By covering all these points we ensure that members are able to have an excellent understanding of how to master the guitar.

### Certificate Tests

Guitar Hall Certificate Tests are conducted at the end of successful completion of every module.

### Trinity College, London Exams (Optional)

Trinity College London Exams are conducted every year for each Grade.

### Individual Attention

The tutors at Guitar Hall make sure that each student has understood her/his lessons well before the session is would up. They are treated with just the right ambience and accompanied by like-minded guitar lovers to guide them through their learning.

# STRUCTURED LEARNING PROGRAM

## Module 1 (3 Months / 24 Sessions)

Module 1 consists of fundamentals of music as applied to guitars. It comprises of the Guitar Primer, Grade 1, Chord formation and patterns, scales and theory and several exercises. The Guitar Primer and Grade 1 teaches you the core basics of guitar playing which involves western classical notations, timing, chord progression and ear training. The Module 1 also involves introduction to lead guitar techniques and playing songs of various genres.

## Module 2 (4 Months / 32 Sessions)

Introduction of Grade 2, Grade3 and practical applications of guitar techniques and various rhythm patterns. It emphasizes on various scales (minors, majors, diminished pentatonic, etc) arpeggios, modes, keys, advanced right hand techniques, advanced left hand techniques.

## Module 3 (6 Months / 48 Sessions)

It involves Grade 4, Grade 5 and advance theories. It consists of lots of interactive training like jamming with the faculty and exploring their own personal capabilities, improvisation techniques and Solo Lead Guitar Techniques.

## Module 4 (6 Months / 48 Sessions)

It consists of Grade 6, Grade 7 and Grade 8. It involves hardcore training about composing music, songwriting and ear training and also several studio visits will also get an opportunity to record your first song.
